Every Corn Vanishes by Using Wonderful, Simple "Gels-It"—Never Fails—Applied in 2 Seconds

Isn't it wonderful what a difference a little "Gels-It" makes, on corns and calluses? It's always right somewhere in the world, with many folks humped up, with corn-crowded

"Wheel I Don't Care! I Got Rid of My Corns With 'Gels-It'!"

faces, gouging, picking, drilling out their corns, making packages of their toes with plaster, bandages, tape and contraptions,—and the "holer" in their corns goes on forever! Don't you do it. Use "Gels-It." It's marvelous, simple, never fails. Apply it in 2 seconds. Nothing to stick to the stocking, hurt or irritate the toe. Pain stops. Corns come "clean off," quick. It's one of the gems of the world. Try it—you'll kick—from joy. For corns, calluses, warts, bunions. "Gels-It" is sold everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill.—Adv.

### Woman's Logic.

Husband—I don't see, Estelle, how you could draw all your money out of the bank and spend it, when I specially told you that I wouldn't be able to give you any more for some time.

Wife—But I did it on purpose, dear. Suppose the bank should fail!

## Why Suffer From Migraine or Sick Headache?

Dr. J. J. Caldwell says that this exceedingly distressing disease does not shorten life, but does not appear to be curable. Sufferers from this affliction are condemned to undergo the periodical attacks every few weeks until they are forty years of age, after which the attacks are less frequent, and finally disappear entirely. Palliative measures during the attack are all that it is possible to suggest, while care in the diet is the best preventive measure. An attack may often be prevented by taking two anti-kamnia tablets when the first symptoms appear, and one anti-kamnia tablet every two hours during the attack. Anti-kamnia tablets may be obtained at all drug stores. Ask for A-K Tablets. They quickly relieve all pain.

## ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

The Newfane inn has been sold by the Newfane Hotel company to E. A. Whitcomb of Boston, who has had experience in the White mountains and Florida. He will open the hostelry about April 1.

Cyrus M. Belden celebrated his 90th birthday anniversary last week at his home in Benson. Mr. Belden was a boatman on Lake Champlain in his earlier days. He is in good health and last summer carried on one of the best gardens in Benson.

The selectmen of St. Johnsbury have sold the town farm herd of 24 cows for \$1,320 and will hereafter keep only enough cows to provide milk and butter for the inmates. By a change in policy, the horses for the road department will be kept at the town farm.

Miss Priscilla H. Marsh, aged 76 years, who died March 4 at her home in Malden, Mass., was a native of Peacham and at one time taught in a small school in East Haverhill, Mass., which was made famous by John G. Whittier in his poem, "In School Days."

Large quantities of hay are now being drawn daily from the country districts to the railroad stations in Rutland and other towns in that part of the state for shipment to the city markets, Boston, Worcester and Providence, taking the larger share, at prices running from \$10 to \$24 per ton.

### Chittenden County Cow Testing Assn.

Dr. J. N. Jenne was re-elected president of the Chittenden County Cow Testing association at its meeting Wednesday afternoon. C. S. Brownell was chosen secretary-treasurer.

The directors elected were Dr. J. N. Jenne of Burlington, Frank Talcott of Williston, G. W. McNeil of Essex, C. S. Brownell of Burlington, E. E. Gove of Burlington, H. I. Cady of Jericho and C. A. Wright of Colchester.

The extension branch of the association was discontinued, as the work carried on by it is now being done by the county agent.

The constitution was amended, so that the annual membership fee was raised from one dollar to three.

The report of the retiring secretary-treasurer, Walter S. Brown of Underhill, showed 54 members in the association during the year which closes May 1, with approximately 1,350 cows. Twenty-one members Wednesday subscribed 613 cows for the year. G. M. Nelson and M. A. Newton, cow testers during the past year, gave reports covering the last 10 months, telling of the production of the cows and giving suggestions for improved conditions.

J. W. Dana, county agent, gave a short talk in which he stated that more associations were being formed in the state and made a plea for closer cooperation between the testers and the county agent, such as having conferences at frequent intervals.

### Warner A. Graham Probate Judge.

Warner A. Graham of Bellows Falls has been appointed by Governor Gates as judge of probate of the Westminster district of Windham county to fill the vacancy caused by the death of Judge Zina H. Albee. Mr. Graham was born in Greensboro, Jan. 9, 1884. He graduated from Harvard academy and from the Albany law school in 1907, beginning the practice of law in Bellows Falls the same year. He has been very successful in his professional work. In his home community he has served as auditor for the town of Rockingham and the village of Bellows Falls and as town grand juror. He was secretary of civil and military affairs under Governor Fletcher and as representative from Rockingham was one of the leaders in the last legislature, serving as chairman of the judiciary committee.

### VERMONT'S BABY WEEK.

Women's Clubs Joined By State Board of Health in Holding Meetings.

Vermont did its share in the nationwide celebration of "Baby Week." Through the efforts of the Vermont State Federation of Women's clubs nearly every one of the fifty-three federated clubs observed the week, by lectures, exhibits, pageants, plays, clinics and sermons. The state board of health cooperated with the clubs and sent a lecturer to fifteen towns in the state. In many of these towns education films owned by the state board of health were shown. Dr. Dalton, secretary of the state board of health, writes: "I believe much good has been accomplished."

"Baby Week" has failed to accomplish all the good it should unless it leaves something of a permanent nature behind it. The best test of its value will be the work that follows it.

### McCarthy Fined \$300.

After Pleading Guilty to Embezzlement at Essex Junction.

Burlington, March 17.—W. Scott McCarthy of Essex Junction appeared in Chittenden county court yesterday and pleaded guilty to information filed by the state's attorney, charging him with embezzlement. Mr. McCarthy was fined \$300 by Judge Stanton.

The specific charge alleged against the respondent was taking \$3,000 which belonged to his employers, the Strout Real Estate agency, while he was resident manager at Essex Junction. It appeared that the actual sum taken, however was about \$1200 and Mr. McCarthy has made restitution so that he has again entered the employ of the firm. The fine was paid by his cousin from Boston, Mr. McCarthy was represented by Allen Martin of Essex.

Angeline Blanchard pleaded not guilty to a charge of adultery, Albert Fortin pleaded not guilty to embezzlement and Ernest Lafond not guilty to burglary.

## WHISKEY? NO—NOT FOR RHEUMATICS

Don't drink whiskey if you have rheumatism, and be sure and keep your feet warm and dry, and drink plenty of lemonade.

This advice, says an authority, is helping; but as all know who have suffered, rheumatism is a stubborn disease and yields only to a remedy mighty enough to conquer it.

Many doctors have prescribed and hundreds of helpful druggists have advised a half teaspoonful of Rheuma once a day, because they know that powerful Rheuma, harmless as it is, acts with speed and overcomes in a few days the most torturing case of rheumatism or sciatica.

Try Rheuma; the Red Cross Pharmacy and all druggists sell lots of it and will return your money if two 50-cent bottles do not stop all rheumatic misery.—Adv.

### Political Sarcasm.

A certain politician has the happy knack of being able to parry inconvenient interruptions with some smart retort that immediately quiets the opposition. He was speaking at a rather noisy meeting not long ago and after a short time a big lump of wood was thrown at him. Fortunately, the aim was bad and it fell harmlessly on the platform.

The speaker picked it up and showed it to the audience.

"Good heavens," he exclaimed, in tones of mock anxiety, "one of the opponents has lost his head."
